amazon services™   **Hello Roger Cazangi** (Not Roger Cazangi?)

Amazon Marketplace Web Service (Amazon MWS)

Congratulations!

You can now access your Amazon Seller account with MWS

These are your Account Identifiers and Credentials, which you will need to make successful MWS requests. You can also view and manage these credentials on the Amazon MWS Developer Permissions page.

Important: Please do not navigate away from this page until you have made note of these Account Identifiers and Credentials or have printed this page. These Account Identifiers and Credentials will not be emailed to you.
